Applying for Winter/Spring/Fall 20 __

To enroll in the program, the student must have completed a baccalaureate degree from a school that is regionally accredited, authorized to confer degrees in Oregon, or otherwise approved by the Oregon Student Assistance Commission, Office of Degree Authorization.

1. Please attach a brief resume which includes:
 - Educational background, including name of undergraduate institution (s) and date and type of degree awarded. (In the case of an uncertainty, degree equivalency will be determined on a case-by-case basis by the Oregon Student Assistance Commission, Office of Degree Authorization.)
 - Work experience
2. Please address the following in an autobiographical essay:
 - Biographical details
 - What interests you about Process Work?
 - What factors have contributed to your interest in Process Work (e.g. dreams, personal experiences)?
 - Why you are seeking a Master's degree in Process Work?

Both the resume and essay should be typed, double-spaced on single-sided sheets. The essay should be no more than 1500 words.

Acceptance into the program is contingent upon both objective criteria and the admission committee's evaluation of your appropriateness for the program. Therefore, if you are granted an admissions interview, we encourage you to bring a dream or a body experience that you believe is relevant to your application to your interview, in order to assist the admissions committee.

Please give the names and address of three references, relationship to you and length of time known, and append three letters of reference to this application.
